

WFB5506P

WFB5506P is a cylinder bed, 6 needle double chain stitch machine with needle feed. It is designed for sewing waistbands of medium heavy to heavy material such as jeans and working pants.

As needle feed and lower feed are linked, both feeding amounts can be adjusted at the same time by push button operation. An additional rear puller is available as option.

On this special subclass we are offering 1/8x2 (3.2 mm x 2) gauge on both sides

Special gauge

This subclass has a special gauge 1/8"-1/8"-1"-1/8"-1/8"

total 38.1 mm as max. width

Divided metal puller

Reduces over-running and gives uniformed stitch.
(only for six needle machine)

Small distance

Especially for ladies and children Jeans

1/4" on top and 1/8" on the bottom
